Town Lane Infant School Newsletter

What a year this has been! We cannot quite believe that we have reached the end of the academic year. There have been many Covid obstacles in the way but we have managed to get ourselves back to some normality in school throughout the year.

We want to thank you all for your ongoing support and we want to thank the children for showing such determination and resilience. It has been wonderful to see the children involved in so many different learning opportunities in and out of school and many have taken part in brand new extra-curricular activities. We are all so proud of all of our pupils' achievements and successes. None of this would be possible without the support of our talented and dedicated staff, our wonderful governors and the partnership we have with our families.

Learn to Ride/ learn to Scoot

What a success these sessions were for F2 and Y2 pupils. We want to thank Sustrans for supporting our children to learn these important skills and we hope the children continue to develop the skills during the holidays. The more families walking, riding, scooting to school will obviously help with the congestion and traffic issues we have on Town Lane at pick up and collection times.

Y2 Mary Poppins

The children excelled themselves with their performance of Mary Poppins showing such confidence and independence throughout. Thank you to all families for supporting with this and we wish you all well in the future.

Heat Wave

We were still able to have our 2 trips out during this very hot and humid time. The trip to New Brighton for Y1 children and the local walk to Christ Church took place during the cooler hours of the morning. Thank you to the parents and carers who supported with this. The bike sessions for Y2 were held in the morning and the timings were adapted.

The children were able to enjoy time in the shade within our school grounds and some even had their very own 'foot spa' sessions in the classrooms.

Resources

Mrs Bithell, our maths lead has asked for all maths library games to be returned to school. We do need these so children can enjoy playing them in September. In additions, all reading books must be returned to school.

Some reminders for September

Drop off /Collection September 2022

Foundation One Nursery

8.40am- 3.10pm at the white nursery doors with parents

Foundation Two Reception

8.45am Enter school at large blue gates

3.15pm pick up at the back of school from classrooms

Year One

8.40am small blue gate

3.15pm large blue gate exit

Year Two

8.40am small blue gate

3.15pm car park entrance/exit

We will continue to have a real drive for attendance next academic year and so it is important that children arrive at school punctually and are in school every day, whenever possible.

Diary Dates

School closes for Summer

Wednesday 20th July
